## Café Farmshop

Welcome to our café!

The Hirsell Estate in the Tweed Valley is an area with beautiful produce. Here at The Homestead we aim to showcase seasonal, local food. We make all of our own jams and chutneys, use the greenhouse and walled garden to grow salads, fruit and vegetables, cook the ham on site and forage for wild, organic ingredients whenever possible.

The meat in the Farm Shop is either local or reared on the estate. The estate lamb and Highland beef has had some wonderful reviews and we are proud to show off our hard work!

When available our baby and baking potatoes are grown on the estate. This means sometimes they might not be perfect, uniform shapes but we prefer our veg wonky, fresh and with minimal food miles and we hope you do
